Moving On

After crossing the Red Sea, Moses & Israel witnessed the destruction of Egypt's Army.

First it was the plagues, the last of which was death to all Egypt's firstborn. In those days, all *houses* were perpetuated by the firstborn. It was then as though they had no knowledge of how to *go on* as a nation.

Now Pharaoh's *house* and his army were gone.

In a required balance, God asked Israel to forfeit their firstborn to Him for service. God then allowed them to be *redeemed* back to the families.

These were striking and catastrophic changes for early societies.

Their knowledge of how to proceed was based on the *customs* they observed.

When Moses and Aaron first began bringing God's Messages to Pharaoh the requirement of their release was all based on Israel being able to *go into the wilderness and worship Him*.

After their release from Egypt, its destruction, and being left in such a position; no food, no slaves, no firstborn, ...

God's Original Purpose for their release came back into the forefront.

They would now travel several days into the wilderness and there begin where God started them.

"The Lord will perfect that which concerneth me: thy mercy, O Lord, endureth for ever: forsake not the works of thine own hands." -Ps 138:8

He will perfect that which concerns me. Are you ***Moving On?***

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
