*Covenant keeping God*

The nation of Israel called out to God from their bondage in Egypt. God had obligated Himself to respond.

Genesis, chapter 15, records the making of the **Covenant** between God and Abraham.

Part of the disclosure process included God informing Abram that his seed would spend 400 years in bondage.

The time came – Israel called and God responded.

Once Israel called on the **Covenant**, nothing could hold them in bondage.

Pharaoh resisted, but eventually, the special event came.

God called it **The Passover**.

God's people were to separate themselves, prepare the Passover lamb, and dress to leave.

God led them out. Death had passed through the nation of Egypt overnight.

God's people were marked with the **Blood of the Lamb**.

Death came to the Egyptians. Israel was spared.

Jesus is our **Passover Lamb**. We have been given life as a gift.

We too are marked with the **Blood of the Lamb**.

Psalms 105 details the deliverance of Israel.

"He brought them forth with silver and with gold" and there was **not one feeble** among their tribes.

No sickness or disease... Blessed with financial abundance...

This sounds like **Calvary** for us!

That's why we celebrate our Passover Lamb, **Jesus Christ**.

This letter will give you detail as to how you can bring your gift to Him digitally (or tangibly, if need be).

We are celebrating our **Passover**. Death, as an enemy, has been conquered by Jesus at Calvary.

We have been delivered from a life of poverty, sickness and disease.

We have received **our deliverance!**

I Corinthians, Chapter 5, tells us we should honor our Christ with "sincerity and truth."

Our God is a **Covenant keeping God**.

All the promises of God are yes and amen in Christ Jesus. 2 Corinthians 1:20

All things that pertain to life and godliness are covered by **great and precious promises**.

Annually, at the Passover season, we celebrate our freedom with a special offering to the Lord, thanking Him for His sacrifices as the Lamb of God.
