**“Count The Cost”**

In the course of Jesus teaching His disciples, during the period of His earthly ministry, one of the important lessons was commitment.

After two examples, it became evident that God was saying “I need to be able to count on you.”

We know God is not looking to *our strength*.  
He provides that!

We also know we are not the source of needed things.  
God does that!

In fact, that's one of His names – **El Shaddai**.

What Jesus was saying is He needs committed vessels that He can work through.

Elisha helped a widow out of a *debt situation*. She only had a meager portion of oil in the house.

He told her to collect vessels. She went to the neighbors and collected as many as possible.

The prophet prayed and told the woman to start pouring.

The vessels that were to be filled had to **be in the house**.

Too often, today's believers are not *in the house*.

There is a Biblical directive – we must be found **faithful**.

The lesson of the oil and the directive of faithfulness are the same lesson.

You can participate in the **miracle** – You must be **in the house**.

Challenge Reminder:

**Read five chapters in the Word and pray in tongues for 30 minutes.**

*“Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God.” -Rom. 8:26-27*
