“Lost In Space”

As Jesus was training His disciples, He repetitively presented **higher thoughts** to elevate them.

The contrast was in the doing. Jesus was doing the Will of God. His detractors had other plans.

“Beware of the leaven of the Pharisees” was one such admonition.

Jesus was healing people in the synagogues on the Sabbath. The scribes and Pharisees said he didn't wash his hands correctly.

There's no question that the scribes and Pharisees were **the Lost**.

The people at large were raised on their leaven.

False teaching not only lead people astray, but then leave them 'out there'...**Lost** in life's dilemmas with no answers. Over the centuries, the Church has accepted many false teachings.

Repeatedly, God has revitalized the Body of Christ with outpourings of the Spirit, and revelations of God's promises.

One such revelation is that healing is one of God's **great and precious promises**.

Freedom from poverty and divine prosperity are another example.

Psalm 105 – “He brought forth the people with silver and gold, and there was not one feeble among their tribes!”

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

“Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God.” -Rom. 8:26-27
