

2024 Prayer & Fasting

Daniel 9 is a call for the nation to humble themselves and pray – NOT only for themselves but for the “Nation of the Church.” God is calling His people to **WAKE UP** and come back to Him.

God has instructed us to address the misplaced priorities of the Body of Christ at large. In recent times, we have witnessed a great falling away. Our intercession and fasting is directed NOT just to our own lives, but for the entire Body of Christ. It is a cry for the Church to return to their first love!

Outward opposition and circumstances account for only part of the problem. An **INWARD** enemy called indifference poses the major threat.

Many of God's people have become apathetic to their worship and service – even though our salvation **IS** the purpose of our lives in the Kingdom. As Jesus taught so many times, He has sent out the invitation, but the people are too busy and too distracted to heed the call.

Today, many believers are focused on their own homes, work, and leisure, and have all but lost their divine vision for their place in the Kingdom – fitly joined together as life flows from the head. God is calling His people back to HIS VISION (His purpose and plan), and back to our faith and values.

Our calendars, checkbooks, and behaviors reflect what is REALLY important to us!

During this time, endeavor to lay aside personal agendas that conflict or interfere with a set time to pray and allow the Lord to deal with your own heart and His Body about **spiritual lethargy**, discouragement, and disinterest in their own walk with God.

I pray for God to strengthen the church around the world and in our city. May there be a great outpouring of the Holy Spirit to touch this and coming generations.

Set us on fire Lord!!

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27

"Choices"

While in captivity in Egypt, the nation of Israel began to call on the God of Abraham, Isaac, and Jacob for deliverance from bondage.

That call set a series of events in motion that would shape the world we live in today.

God, was **their** God, from the beginning.

Egyptians had chosen their gods.

The nation of Israel remained in Egypt after Joseph and his generation passed away.

These were all **choices** that the Israelites and the Egyptians had made.

Egypt had long benefitted from the Blessing of Abraham on Joseph, and those that followed.

When God began the process of leading His nation out of Egypt and bondage, each one of the plagues was supposedly 'covered' by an Egyptian god.

In succession, their gods failed.

We have **chosen** to follow Jesus Christ. As a result of the lordship of Jesus, the Blessing of Abraham has come upon us.

None of the curses or plagues that came on the Egyptians can come on us.

There was a 'build-up' of the curse in Egypt. When it was turned loose, it destroyed the entire nation.

There is a 'build-up' of blessing prophesied to come on the Church during the last days.

And in your seed shall all nations of the earth be blessed; because you have obeyed my voice
