“Stress Test”

Jesus took the time to explain to His disciples how to deal with the **stressful events** that they would face.

When describing the turning point for the nation of Israel, He said not to plan what we would say, but to let the spirit of the Father speak through us.

The entire nation of Israel is prophesied to do a turn-around and accept Jesus as their Messiah.

I'd call that a **Stress Test**.

Similarly, the Church is prophesied to have a period where we will come to “the measure of the stature of the fullness of Christ.”

We will come to a state of maturity.

We will come to **unity!**

As the full-grown **man or woman of Christ**, we will not stand apart from each other.

We are currently watching God grow up a new generation of mankind on the earth.

Though it was **stressful**, God grew us up in a very tumultuous time.

Eventually, He made Himself known to us as **a living God**.

'Troubled times' do not deter God from His purpose.

Jesus is standing at the right hand of God **declaring victory** to us!

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
