"Family Matters"

"God created them, male and female created He them"
Gen 1:27-28

Be "fruitful and multiply" were His commands.

God's creation of the family pre-dates both the Old Covenant & the New Covenant.

There is no topic on earth today that is more controversial than family.

That said, there is no lifestyle pattern the world over that is more widely accepted than the **"Traditional Family Structure"**.

Adolescence is characterized by teens "dreaming" of their family life to come.

A simple trip to any mall in the U.S. illustrates this reality.

There are men's and women's stores. Children's clothes come in various sizes, but always - male or female. All department stores have **MENS** and **WOMENS** departments.

No wonder there are sub-sets of people the world over who feel they are left out. It's either, or period.

Yet it remains there are "gender identity" parties as soon as modern medical science is able to identify a girl or a boy!

Satan has fiercely attacked the **"God- Image"** of male and female children...family.

The world's population is exploding and as noted, it follows God's pattern.

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
