“Seeking Wise Counsel”

In the multitude of **counselors**, there is safety. We're told this in Proverbs 11:14.

Jesus was repeatedly challenged by the scribes and Pharisees concerning backup for the things He said.

They asked, “Who gave you this authority?”

Jesus stuck to the existing pattern for the **verification of truth**.

In the mouth of two or three witnesses shall every word be established - 2 Corinthians 13:1

So, what constituted a witness? It had to be a person that was **present** – an eyewitness.

This was firmly established in the law of Moses. It was the judicial standard in Jesus' day.

So, Jesus said to them, 'I was there, God was there, the Holy Ghost was there....where were you?'

The scribes and Pharisees had no answer. They had already disqualified themselves in their own teaching.

Jesus said they had made the Word of God **null** and **void** through their teaching of tradition.

Wise Counsel had to then come from another direction. Jesus drew a line of distinction between doctrine (the Word of God) and the traditions (of man).

The Apostle Paul later used this “proof” to establish doctrine for the Church of his day.

Jesus taught an important key for us that the Holy Spirit would lead us and guide us to **all** truth.

So, **Wise Counsel** for us is the ministry of the Holy Ghost leading us into the Word of God, step-by-step.

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
