“Fat In The Fire”

Fat, in the scripture, is often used metaphorically.

“Eating the **fat** of the land” is used in the Old Testament to illustrate being very blessed.

Fat is also used in the Old Testament to identify the part of a sacrifice that was to be burned and not eaten.

In our world, **fat** on our bodies is considered a thing to be gotten rid of.

Since our relationship with God is not based on our sacrifice, we consider **fat** to be excessive.

We avoid excess **fat** in our diets.

Jesus is **our** sacrifice. He died once for our sins and put an end to sin forever.

Sacrifice for us takes on a different meaning.

Be ye steadfast, immovable, always abounding in the work of the Lord.

1 Corinthians 15:58

Sacrifice for us becomes the **work**, or **labor**, that we adhere to, thereby demonstrating our love for the Lord.

Often, we are considered committed or dedicated to the Lord by our **labor of love**.

God said Israel's sacrifices produced an **aroma**, a sweet smell to Him.

Abram's sacrificial smoke was a **sign** to the unbelievers.

I wonder if they can **see** our **smoke**?

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
