Site Work and Construction

\$150,000

Total: \$400,000

Note: All costs are estimates based on material and labor costs at the time of publication.

BUILDING CAMPAIGN 2025

DEAR SAINTS & FAITH LANDMARKS FAMILY MEMBERS

As we prepare for another record-breaking Building Campaign, a "shout-out" for a recent success is in order. A few years back, a goal for our campaign was **Media Enhancements for the Sanctuary**. It took time for us to acquire all the right equipment. Installation and training followed as the next step. Gradually, we proceeded to **work** toward the **goal**. Finally, right before the Covid pandemic began, **we were ready**. We were able to begin live streaming right before the world shut down in 2020.

The Sunday PM service of March 15, 2020 was our **first** full live broadcast of a service. Covid had locked the world down, but God had us **ready**. Within days we were communicating live online with the **entire world**.

Because we were moving in Him, without fear, soon we were conducting services outside and **broadcasting online** to the world, and by **radio** and **live sound** onsite.

We met and exceeded all our goals!

Since that time, we have begun **breaking records** in the number of people we reach with the Gospel.

God did all of this! He got us **ready**!

Now, it's time to do it again. We will **rise** and **build** once more. First, we are issuing **a call to prayer** for the entire congregation.

Consult God about your part in **helping to reach** the world with the Gospel, and the preparations that we have underway. He will answer!

As we prepare ourselves for His Service, we remind ourselves of the Challenge. We have been **commissioned** by the Lord Jesus Christ to rise up and prepare for sacrifice.

It's called the Great Commission. It applies to each of us.

**"Our God shall supply all our need according to His riches in glory by Christ Jesus."
Philippians 4:19**

Total Goal: \$400,000

FELLOWSHIP PAVILION

Provide new opportunities for outdoor fellowships, group meals, weddings, and many other special events.

SANCTUARY ENHANCEMENT

Necessary upgrades and new equipment for improved ministry experience.

Here are some **important dates** for your prayer closet:

- **May 18, 2025, COMMITMENT SUNDAY**
- **May 25, 2025, VICTORY SUNDAY**

Before Commitment Sunday, we will all be given a **commitment card**. Pray concerning your commitment.

Remember: It's not equal gifts, but equal **commitment** that is important.

Come to church with your completed card on **Commitment Sunday**, May 18, 2025.

Together, we will shout the Victory as we announce the Campaign Results on **Victory Sunday**, May 25, 2025

We like to model our efforts after other New Testament Campaigns – like Jesus feeding the thousands with a **small boy's lunch**. There are numerous other examples that we use to illustrate commitment to the Great Commission.

As the Apostle Paul taught the early church, we will bring our giving to the Lord weekly and monthly, as the Lord **has** and **continues** to prosper you.

Remember, this facility is a tool that God uses in our hands to reach the multitudes!
