"Reset Button"

Under the Old Covenant, often the Nation of Israel got off-track.

There were problems resulting from **bad leadership**.

Many times, God's people found themselves in desperate straits and needing deliverance.

The classic example was with Saul.

Samuel was raised up by God supernaturally to lead Israel out of their **self-induced difficulties**.

The people demanded a king like all other nations.

Saul was the best choice, but he quickly turned to **disobedience**.

Instead of heeding God's wisdom, he sought the will of the crowd and eventually turned to the occult.

God used Samuel to find a better leader. God directed Samuel to find a "man after God's own heart."

David was small and young, but God could see what even Samuel could not.

As David matured, he learned how to find the **Reset Button**.

He pushed it, and Goliath – the champion of Israel's enemies – was slain.

The **Reset Button** in David's day was, "I come in the Name of the Lord God of hosts."

Saul had failed repeatedly to push **the button**.

God moved when David pushed the **Reset Button**.

God gave us Jesus – His own son – for our New Testament **Reset Button**.

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
