“Pruning Tips”

Jesus said when our vine begins to **grow**, God will **prune it** (as the husbandman of the vineyard) so it will produce more fruit.

To some, that may appear greedy.

But God, who is the husbandman and **responsible** for the overall health of our vine, **has decided** an overall increase is to be avored.

God, who can see “dry seasons” coming, knows how to **maximize** a harvest.

To some, it may seem too early, but God does what is **best** for the vine.

Every branch in me that does not bear fruit, He takes away; and every branch that bears fruit, he purges (prunes) it, so it may bear more fruit.

John 15:2

God is a God of **abundance!**

One of His names is “More Than Enough.”

Jesus made these comments to His Disciples in a closed Upper Room at the communion table on the night before His crucifixion.

Understanding **abundance** can take some adjustment and getting used to it.

We are told we need to adjust by “renewing our minds.”

This means we have to adjust our own thinking, and increase in our understanding.

Mankind has a tendency to think they have a **limited supply**.

We must follow His lead and believe His word.

If we lack something, He has told us to simply **speak it into existence**.

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

“Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God.” -Rom. 8:26-27
