

BUILD IT OUT

MORE GRACE | 2026

Dear Saints and Faith Landmarks Family Members,

We have discovered a powerful things as a group of believers.

God dispenses a **special grace** on us as we join together to do His will.

This **dispensation of grace** on us has powered us to build and accomplish the impossible. Time and again we have met with resistance as our plans expand.

Sometimes, it is people getting in the way. Other times, circumstances rise up against us. We have **overcome** repeatedly in the past. Driving onto this property is a living, visual testimony to His **grace and power**.

So, we will see another **miracle** as we join together in love and faith to overcome and **move forward!** God gave us the **grace** to buy this property.

He will also empower us to **BUILD IT OUT**.

Your **faith** and **giving** have been the primary vehicle God has used as a **seed** to **grow** His miracle and testimony.

*This is a
corporate effort!*

BUILD IT OUT

MORE GRACE

2026

The spiritual side is our **seed**. **Sowing** our seed draws us together to accomplish great things. As we draw together, God dispenses his **power**. We cannot see the Power, but sometimes we can feel it. We can always see the **fruit** of His power.

This **power** not only produces natural buildings and parking lots. It also **builds people** who are forever marked by His presence. This **power** builds families, and they never forget the days of its working.

So, this letter marks a call to **prayer**. Please pray about your part in the endeavor.

Here are some **important dates** for your prayer closet:

May 17, 2026 **COMMITMENT SUNDAY**

May 24, 2026 **VICTORY SUNDAY**

*Prayer Closet

Brochures, drawings, envelopes, and more will follow.

Before Commitment Sunday, we will all be given a **commitment card**. Pray concerning your **commitment**. Remember: It's not equal gifts, but equal commitment that is important. Come to church with your completed card on **Commitment Sunday**, May 17, 2026.

Together, we will shout the Victory as we announce the Campaign Results the next Sunday – **Victory Sunday**, May 24, 2026. The Lord has charged us to maintain a high level of **stewardship** over this amazing facility He has given us. This facility is one of our **tools** used in our work fulfilling the Great Commission.

As the Apostle Paul taught the early church, we will bring our giving to the Lord weekly and monthly, as the Lord **has** and **continues** to prosper you.
