“House A Fire!”

Fire alarms are intended to be shocking! They can become annoying to draw **attention**.

The shrieking! The clanging bells! The flashing lights! The horns and strobes!

In our neighborhood, **fire trucks** fit the picture.

The intention is to keep the neighborhood from rolling over and going back to sleep.

Jesus meant the same things when He warned of the **end times**.

He told us to **watch** and **pray!**

Shadrach, Meshach, and Abednego knew the fiery furnace meant **instant death**.

They got the message!

They knew what they were doing when they **refused** to bow to Nebuchadnezzar's golden statue.

They knew God would deliver them **or** they would die.

It was their **faith** that was tested.

Nebuchadnezzar was shocked out of his comfort zone. His image had to pass the test.

How about you and I? We are in the **end times**. The bell is **ringing!**

Are we going to roll over and go back to sleep? Or will we **awake to righteousness?**

Abraham woke up and had to face the **tests** of his time! Ishmael. Offering his son Isaac. Sarah laughing at the promise of a son in old age. But He had **faith!**

The book of James tells us that **faith** without **works** is dead. We must put **action** to our faith, and rise up to walk in **righteousness** in these end times.

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
