"Baked in the Loaf"

My wife is an excellent cook. Years ago, she learned the secret of following a **proven recipe**.

Some great dishes can be achieved by memory.

Others come by following **steps**.

Anyone can follow a **recipe**.

The Word of God is like that – to achieve Biblical mastery, one must learn by **steps**.

Jesus taught His disciples that way. Each of His parables are **steps** to be followed, so they could be commanded.

Satan seeks to dissolve this truth. The Holy Ghost seeks to **command**.

Satan and the secular world want you and I to make our own choices.

My choices got me in trouble. Only God's **steps** from His Word showed me **the way**.

Today's church wants to stay home, but God's Word says that we should not forsake the assembling of ourselves together.

God is the one who formed the church into **local groups**.

God knows a young believer lacks the discipline to **self-correct**.

Church can accomplish things in **one visit**, that could take years to fix in other environments.

I am a soldier under command. **I do what I'm told**.

I follow the **recipe**. I go to church.

Jesus went to the temple.

His disciples and the Apostles all started the modern church and attended – **you should also!**

Challenge Reminder:

Read five chapters in the Word and pray in tongues for 30 minutes.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
