## “Courageous”

**Courageous** is a word I would use to describe today's believer.

You, as an American believer, may not see yourself as **courageous**.

Drawing on a wider view will help change your perspective.

Here are some facts:

- The United States is the 3<sup>rd</sup> most populous nation on earth
- Most of the wealth of the world is concentrated in this small space
- This can make all Americans a target for the rest of the world
- Many other nations or individuals may like to see the United States topple from its position

This year marked the 25<sup>th</sup> anniversary of the Twin Towers attack in New York.

This is an example of how other certain nations, groups, or individuals feel about this country.

So, being a Christian in any country can be a **challenge**, as it is here in the U.S.

This is why I say that your believing makes you **courageous**.

The New Testament tells us in many locations that as believers, we will face trials, tribulations, temptations, and persecutions – but not above that which we are able to **endure**.

Every day, all day, we Christians are in the **hot seat**.

Overcoming and living in this environment makes your life **courageous**.

God has called us to live a **victorious life** in Christ.

Many strong believers have gone before us – It's our turn to live a life of **courage**.

### Challenge Reminder:

**Read five chapters in the Word and pray in tongues for 30 minutes.**

*"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27*
