"All God's Children"

As we speak, the world's population is **exploding**!

Expanding dramatically is another way to say it.

China has occupied the location of the highest population for decades.

Recently, India has moved from behind to **eclipse** China.

India now has over **1.4 Billion** people.

We have been reaching the lost there for decades – only Africa has been more fruitful for our church efforts in soul-winning.

When God finished **creating** the planet, He told Adam and Eve to be fruitful and multiply.

God's words are **still working**!

We have been given instructions by God's first begotten Son to **go into all the world** and preach to every person the Gospel of Jesus Christ.

Many of us have embraced this **Great Commission**!

At the current rate of population explosion, we have a **great work** ahead of us.

The Church has to learn **new things**.

We are faced with diversity issues that were ignored or overlooked in the past.

We preach the same message, but our **methods** must constantly change.

Simply put, we must reach **All God's Children** before we can say the job is complete.

"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27
